

Connect with the world,  
directly in your **web  
browser.**

ConnectMe v1.1

dstny

# What is ConnectMe?

## WEB-BASED COMMUNICATION PLATFORM FOR END-USERS

ConnectMe is our web-based communication platform, designed to make the workday easy for every user. Connect with colleagues, customers, and partners in a user-friendly and fun way, directly in your browser. Because it is web-based, no installation is needed, and you make sure the user is always working with the latest version.

# Why ConnectMe?

## **ALWAYS ACCESSIBLE**

Via ConnectMe the user accesses their communication platform using a web browser.

## **CONTINUOUS EVOLUSION**

ConnectMe is built to integrate easily new functionality to bring regularly new features and innovation in line with your business needs.

## **FAST, RELIABLE AND SECURE**

It runs immediately and is always "on" as it uses best standard cloud-based technology.

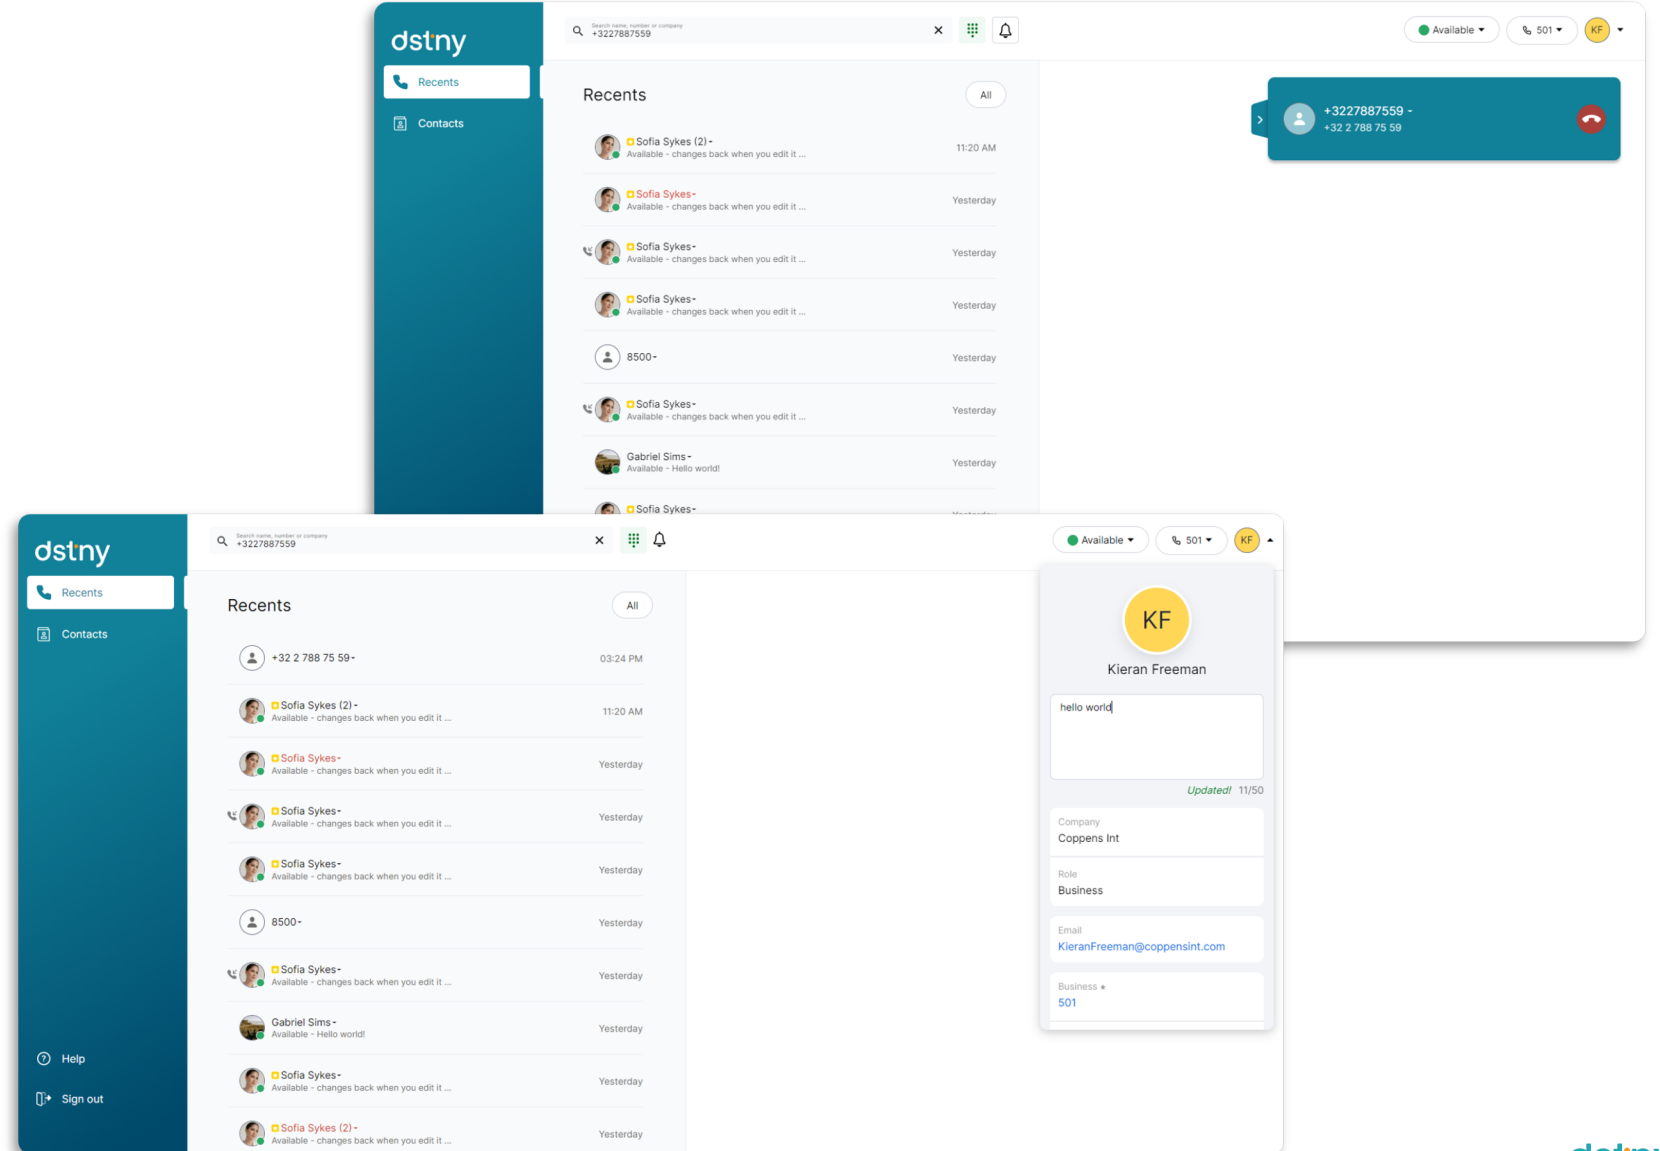

## **PLAYS WELL WITH OTHERS**

It works in an integrated way with other products: i.e., Mobile application, Service Management Portal for the administrators, CRM Connect etc.

- Directory
  - All contacts
  - Group: Favourites & VIP

A woman with long dark hair is seen from the side, sitting at a desk and typing on a laptop. The office environment is softly lit, with a window in the background showing a blurred view of the outdoors. A cup of coffee sits on the desk next to the laptop. The overall mood is professional and focused.
